To be considered for this position, please email your resume and link to [an online portfolio](#) to careers@runaware.com. Please reference "Ref ID: Super star designer" in the email subject line. Applications without an online portfolio will not be considered!

We are looking for you if

- You consider yourself to be a super star designer experienced with web, flash, and print.
- You have experience in server side programming like jsp and aspx and client side programming.
- You are a good listener and a creative individual who is able to quickly create something exceptional from loose ideas and concepts.
- You are self motivated but also very flexible and are able to take directions.
- You are very detailed oriented, and consider deadlines something holy.
- You have a very high stress tolerance, and are able to focus on multiple tasks simultaneously.
- You are able to help manage a team consisting of members in different time zones and countries.

We will impress you with our enthusiasm and we want you to impress us with your capabilities. Runaware offers a competitive compensation and benefits package. Visit www.runaware.com for more information.
